## EARLY MORNING OPTION: 8:00AM-9:00AM

Early Fun & Games (all ages)

Dani Schechner

Enjoy the start of the day with activities that allow students to get going at their own pace.

## CLASS OPTIONS: 9:00AM-12:00PM

Puppet Party

Puppet Showplace Theater

Enjoy puppetry, as we learn how to build imaginary characters and bring them to life on stage! Each day features a new project and lots of creative fun.

Lego City and Civics

Right Brain Curriculum

Run for mayor, open a business, and debate city issues. Build a fully-planned and intricately-designed Lego city, and govern it!

## CLASS OPTIONS: 9:00AM-4:30PM

Mixed Media Drawing

Katie Cullinan

Explore the world of composition as you experiment with materials, tools, and techniques that will make your drawings pop!

Rock'n Roll Yoga Workout

Kitauna Parker

Stretch! Breathe! Move! Combine yoga with cardio, calisthenics, and a rocking beat for a full body workout.

Construction Inventors

Dani Schechner

Focus on construction techniques as we put our artistic and engineering skills to use in zany sculptural projects that may glitter, sway, or slide.

Cooking Creations

Archie Snow

We'll have fun in the kitchen as we cook up creations such as gourmet grilled cheeses, noodle soup, rainbow blondies, and fruit kebabs with dipping sauces.

Computer: Photo Journals

Marcy Sacks

Create a personalized digital journal of photos you choose, and have fun editing them with added text, effects, and backgrounds using Photoshop.

Computer: Graphic Design

Marcy Sacks

Learn how to draw, color, and add shapes and text to create eye-catching posters, personal emoji's, and art using Illustrator.

Oceans Explored

Dani Schechner

Learn about creatures great and small that occupy our oceans and make mixed media masterpieces that depict them in their habitats.

Paper Projects

Elizabeth Chen

Get crafty with paper sculpting as we fold origami, draw flip books, make paper glass, and build papier mache creatures.

Noontime Quiet Time or Swim

Mark Beshansky & Katie Cullinan

After eating their bagged lunches, students may play board games, draw, or read quietly. Children aged 7 and older may opt to swim in the Tappan Street Pool.

Soccer & Gym Games

Mark Beshansky

Players of all levels will enjoy soccer and gym games that offer friendly competition and team building challenges, and focus on problem solving and creative thinking.

A Handful of Clay

Dani Schechner

Enjoy the wonders of clay in a pottery studio. Learn basic hand-building techniques and how to sculpt ceramic creations.

Creative Drama

Katie Cullinan

Dream of flying away, speaking in gibberish, or setting out on an elephant ride in this improv acting class that will set your imagination loose.

Mosaic Masterpieces

Emily Pechet

Think, design, create, and make your own trivet or wall hanging. We'll work on a mosaic masterpiece using glass, clay, and small objects.

Painting 101

Kitauna Parker

Paint like a master! We'll acquaint ourselves with works from master artists, and then replicate their art with watercolors and acrylics to try painting like they do.

Sipping & Dipping

Christina Wynveen

Chocolate chip cookies and milk go together. Can you think of other pairings? We'll stir up international delights in an exploration of worldly drink and snack duos.

## CLASS OPTION: 1:30PM-4:30PM

Making Movies: Shorts!

Brookline Interactive Group

Bring a story to life in a short film. Script, storyboard, rehearse, and film. We'll edit by arranging scenes, adding music, dialogue, and background noises, and uploading our results to the web.

## EXTENDED DAY OPTION: 4:30-6:00PM

Extended Day (all ages)

Mark Beshansky

Enjoy art projects, board games, outdoor recess, or reading time.

Archery (Ages 8 & up)

On Your Mark Archery

Have a great time learning the basics of archery, including safety, skill, technique, and scoring.
