

SmartSummers 2019

offered by Brookline Adult & Community Education, a program of the Brookline Public Schools

Fill your summer with learning and fun!
Activities for children ages 5-14

July 1-August 23 , 2019 · brooklineadulted.org

Brookline SmartSummers is an enrichment program for children offered by **Brookline Adult Community Education**. Our staff is comprised of a team of professional educators who teach in Brookline and the surrounding Boston area. Open to Brookline residents and non-residents alike, *SmartSummers* offers a wide variety of summer enrichment programs in computers, arts and crafts, theater, Legos and Minecraft, science and technology, languages, outdoor adventures, basketball, and more!
