---

**Early Morning Option**

**8:00-9:00 am**

**Early Fun & Games**
Enjoy the start of the day with games and activities that allow students to get going at their own pace.

**Morning Options:**

**9:00 am - 12:00 pm**

**Puppet Party**
_Puppet Showplace Theater_
Enjoy the world of puppetry, as we learn how to build imaginary characters and bring them to life on stage! Each day features a new project, story, and lots of creative fun.

**Lego City & Civic**
_Right Brain Curriculum_
Run for mayor, open a business, and debate city issues. Build a fully-planned and intricately-designed Lego city, and govern it!

**Full Day Options:**

**9:00 am - 4:30 pm**

**Paper, Fabric, and String**
Design, glue, and embellish in this whimsical class where we’ll incorporate yarn and cloth into daily artwork projects.

**Morning Workout**
_Kitauna Parker_
Stretch! Breathe! Move! Combine yoga poses with cardio, calisthenics, and a musical beat for a full body workout.

**A Handful of Clay**
_Dani Schechner_
Enjoy the wonders of clay in a pottery studio. Learn basic hand-building techniques and how to sculpt ceramic creations.

**Creative Cartooning**
_Stretch, squash, bend, flatten, and fatten! Learn about basic shapes, proportion, facial expression, and perspective as we draw cartoon characters._

**Cool Science**
_Curious kids who like to investigate will have a blast exploring slimy lab science and awesome experiments of all sorts._

**Cooking Breakfast Treats**
_Evelyn Schichner_
We’ll learn our way around the kitchen as we cook up delicious foods like blueberry pancakes, smoothies, fruit cups and mini-qui ques.

**Computer Lab: 2D Design**
_Daniel Lipton_
Learn how to draw, color, and add shapes and text to create eye-catching posters, personal logos, and digital artworks.

**Computer Puzzles & Games**
_Daniel Lipton_
Explore a rich array of puzzles and challenges, and lots of creative fun. Players of all levels will enjoy soccer and gym games that offer friendly competition and team building challenges, and focus on problem solving and creative thinking.

**Build a World**
_Dani Schechner_
Use your imagination and skills to turn old board games and cards into mini worlds with interesting characters. We’ll scheme, draw plans, build, and then showcase our new creations to each other.

**Making and Baking Delight**
_Evelyn Schichner_
We’ll have fun measuring, mixing, and whipping up yummy treats like cupcakes, chocolate dipped fruit, granola mix, and mini-muffins.

**Theater Games**
_Daniel Lipton_
Combine creativity with action in the world of theater pantomime, improvisation, and more. Let your imagination soar!

**Painting Projects**
_We’ll work with watercolor in a variety of 2D and 3D projects ranging from landscapes to paper lanterns._

---

**Afternoon Option:**

**1:30-4:30 pm**

**Superhero Video Production**
_Brookline Interactive Group_
Get a crash course video production while making your own superhero movie. We’ll storyboard, write scripts, and create costumes. You’ll operate cameras, sound equipment, edit your video with special effects, and create a final film.

**Extended Day Options:**

**4:30-6:00 pm**

**Extended Day (All Ages)**
_Mark Beshansky_
Students will have a variety of choices that may include art projects, board games, stories, drawing, or quiet time.

**Archery (Ages 8+)**
_On Your Mark Archery_
Have a great time learning the basics of archery, including safety, skill, technique, and scoring.
