S.T.E.A.M. Programs
SpecGraphixEDU, Wicked Cool for Kids, Right Brain Curriculum

**JULY 1-JULY 3**

**Discovery House**
9:00 am-4:00 pm • Ages 5-7 • Unified Arts Building • $200
Challenge your creativity! Using found materials as well as paints, paper, and string we will plan and invent a robot or kinetic sculpture each day. We will also bake monster cookies and play fun recess games.

**Minecraft: Historic Adventures**
9:00 am-12:00 noon • Ages 7-12 • Unified Arts Building • $130
Solve hidden puzzles and secrets in a Minecraft world as you uncover world history through a fictional storyline that includes famous figures like John F. Kennedy and places like the Titanic.

**Minecraft Architecture**
1:00-4:00 pm • Ages 7-12 • Unified Arts Building • $130
Work as a team to create a project such as the Death Star from Star Wars, the Atlantis Resort in the Bahamas, or a Carnival cruise ship. You’ll take your Minecraft file home so you can continue playing on your own.

**Wow! Science**
9:00 am-4:00 pm • Ages 5-7 • Lincoln School • $355*
Have fun with a science scramble of totally random experiments. Explore Pokemon physics, geology with Steven Universe, candy chemistry, and chromatography. We’ll explore nature and weather by experimenting with ice, growing crystals, and studying animal behavior.

**AUGUST 10-14**

**Minecraft Mania**
9:00 am-4:00 pm • Ages 7-11 • Lincoln School • $355*
Minecraft Mania is a blend of virtual learning and hands-on activities that explore science and engineering. Serious Minecraft Maniacs will be excited to learn about the properties of rocks and minerals. We’ll use our skills to build skyscrapers and simple machines.

**AUGUST 17-21**

**Wicked Cool Vet School**
9:00 am-12:00 noon • Ages 5-7 • Lincoln School • $212*
Learn about your favorite furry, flying and fishy friends! Make amazing animal models, build big bones, and investigate animal intestines from our favorite vertebrates: birds, mammals, reptiles, amphibians, and fish.

**Rocket Science**
1:00-4:00 pm • Ages 5-7 • Lincoln School • $212*
Keep a commander’s log as you investigate the solar system, design a satellite, and build a space base for an astronaut. Go on an out-of-this-world adventure making galactic slime and glittering galaxies. Blast off with a solid fuel high-flying customizable E2X rocket launch.

S.T.E.A.M. Programs

SpecGraphixEDU, Wicked Cool for Kids, Right Brain Curriculum

AUGUST 17-21

**Lego Engineering**
9:00 am-4:00pm  
Ages 7-9 • Lincoln School  
$355*

We will build mechanisms that incorporate gears, flywheels, and cams to build amazing contraptions. We'll crank up the fun using creativity to build with LEGOs in problem solving challenges that spin, roll, carry weight, light up, and make noise.

**Minecraft Mania 2**
9:00 am-4:00 pm • Ages 7-11  
Lincoln School • $355*

The Mania continues! Construct complex Minecraft villages and map out a model community built with real world materials. Learn the secrets of Minecraft to forge unique tools, discover the awesome power of redstone, and create automated factories to supply your empire.

**Expert Architects**
9:00 am-12:00 noon • Ages 9-13  
Lincoln School • $192*

Build your city. Research the history of skyscrapers, consider engineering constraints, and draw your plans while weighing considerations including environmental effects, traffic, and surrounding buildings. Finished works will go before a design review committee.

**LEGO Civics: City Life**
1:00-4:00 pm • Ages 9-13 • Lincoln School  
$192*

Create a model Lego city, while focusing on the environment. As you build, learn about electrical grids, recycling, and pollution as well as ecology and economy laws that affect endangered species, transportation, and open space.

**CyberSummer: Adventure**
8:30 am-4:00 pm • Ages 7-10  
Lincoln School  
Two-Week Sessions: July 6-17, July 20-31, August 3-14  
Two weeks: $760 • Four weeks: $1,420  
David Youkilis, Director

Young computer fans will learn to design websites with sounds, photos, movies, and colorful text. We’ll work on laptops to build web pages that showcase things we like. We will include links to commercials and movie trailers that we’ve created in iMovie, or claymation animations using stop motion software. We will build sets and experiment with green screen special effects to enhance our movies. Students will also learn to code games using the drag and drop program Scratch. Brainy computer games, swimming, and outdoor fun will round out our varied schedule.

**CyberSummer: Extreme**
8:30 am-4:00 pm • Ages 10-13  
Lincoln School  
Two-Week Sessions: July 6-17, July 20-31, August 3-14  
Two weeks: $760 • Four weeks: $1,420  
Jesse Kirdahy, Director

Up your computer know-how! Spend time with your peers designing and printing 3D products and take them home using sculpting and CAD programs. Make graphic posters, film and edit newscasts, music videos, or sci-fi dramas using iMovie and green screen techniques. Produce computer claymation animations and Scratch coding games. Learn to pilot drones through obstacles and record professional looking video. Minecraft, time in the scene shop, swimming, and outdoor fun will round out our varied schedule.

*Discounts or waivers do not apply

Also this week: ARCHERY

Sign up for both Expert Architects and LEGO Civics: City Life, $350*
Spanish Immersion Program
Learn and practice Spanish in an immersive and cultural context.
All levels of English and Spanish are welcome.
9:00 am-4:00 pm • Ages 5-7 • Lincoln School • Taught by Spanish in Motion Staff
One week: $425* • Four weeks: $1,520*

Little Chefs/Pequeños Cocineros
JULY 13-17
Delight in traditional dishes, songs, and cultural norms from Central and South America. As we stir up guacamole, arepas, and arroz con leche, and other yummy dishes, we’ll have a blast practicing vocabulary, songs, and conversation in Spanish.

Let’s Go Camping!/¡Vamos a Acampar!
JULY 20-24
Take magical camping trips to countrysides in the Caribbean, Guatemala, the Amazon, and the Andean regions of South America. We’ll create kites and fishing rods, study diverse fauna, and read and sing inside a tent we will design ourselves with recycled materials.

On the Farm/En la Granja
JULY 27-31
Experience life on the farm! Through song, role-play, and storytelling, learn about different animals and how a farm operates. We’ll work together like abejas (bees) as we build a barn, stable, and a home for each animal. We’ll also have a petting zoo with fluffy and cuddly animals to observe and touch.

Protecting the Planet/Protejamos a la Naturaleza
AUGUST 3-7
This week, we’ll start off in a spaceship filled with Spanish speaking extraterrestrials to learn from them about the planets and the cosmos. Then it will be our turn to teach them. We’ll take our new friends on an earthly expedition to tropical islands, rainforest jungles, and mountains, while teaching them about nature, animals, and preservation.

*Discounts or waivers do not apply

Bringing Books to Life!
8:30 am-3:00 pm • Ages 5-6 • Lincoln School
One-Week Sessions: July 6-10, July 13-17, July 20-24, July 27-31
One week: $350 • Two weeks: $700
From classic stories to contemporary chronicles, children’s books are colorful and cheerful, and filled with fabulous details. What’s your favorite book? We’ll start each day by hearing an exciting story, and then we’ll bring it to life through arts and crafts, drama, science experiments, and journaling. Throughout the day we’ll also play creative and active games, and go outdoors for recess fun and trips to the water park. Each week’s books and themes will be unique.

Bringing Books to Life!
English Enrichment Program
8:30 am-4:00 pm • Ages 5-6 • Lincoln School
One-Week Sessions: July 6-10, July 13-17, July 20-24, July 27-31
One week: $390 • Two weeks: $750
For children learning English, our days will be spent improving our written and spoken language skills through activities, games, and projects using English as the language of instruction. We’ll join the Books to Life students to enjoy arts and crafts projects and outdoor fun, while also making new friends!

Books to Life Extended Day, 3:00-6:00 pm • Lincoln School, $150 per week
Creating Puppet Plays
8:30 am-3:00 pm • Ages 5-6 • Lincoln School
One-Week Sessions: August 3-7, August 10-14
One Week: $350*
Puppet Showplace Theater, Honey Goodenough
Exercise your imagination with the magic of puppetry in stories and on stage! In the mornings we will explore different puppetry styles as we design and build colorful characters. Together, we'll learn how to bring original stories and scenes to life on the puppet stage, and then put on a show for our friends to enjoy. Throughout the week, we'll also enjoy fun activities like gym games, field trips to nearby places, and other crafting and drama activities.

The Crafty Artiste and Cooking Too
8:30 am-4:00 pm • Ages 7-12
Unified Arts Building
One-Week Sessions: July 6-10, July 13-17, July 20-24, July 27-31, August 3-7
One Week: $390 • Two weeks: $760
Stephanie Goodman, Director
Join us for days of artistic expression, cooking adventures, and do-it-yourself activities. In high school studios we'll immerse ourselves in classical and creative art dares, culinary creations, dance-offs, and everyday explorations. We will spend time both indoors and outdoors, making slime, decorating cupcakes, tie-dying, sculpting clay, playing gym games, and more. Inspiration for our projects will be based on unique weekly themes pulled from artists and cultures from around the world. Swim time and outside water play will also be offered.

Superhero Video Production
1:00-4:00 pm • Ages 8-13
Unified Arts Building • $192*
Two-Week Sessions: July 6-17
Brookline Interactive Group
Get a crash course video production while making your own superhero movie. We'll storyboard, write scripts, and create costumes. You'll operate cameras, sound equipment, edit your video with special effects, and create a final film that we can all watch together.

Make a Music Video
1:00-4:00 pm • Ages 8-13
Unified Arts Building • $192*
Two-Week Sessions: July 20-31
Brookline Interactive Group
Create your own music video! You'll work in teams to turn music you love into videos that are filled with emotion. From storyboarding a song to filming and editing, learn the basics of film making in this hands-on class. We'll end with a dance party viewing.

Early Drop-Off: July 6-August 21
Available from 8:00-8:30/9:00 am, Monday-Friday: $30 per week

Extended Afternoons: July 4-August 21
Available from 4:00-6:00 pm, Monday-Friday: $100 per week

*Discounts or waivers do not apply
Theater Arts Program
8:30 am-4:00 pm • Ages 7-13 • Lincoln School
Two-Week Sessions: July 6-17, July 20 -31, August 3-14
Two weeks: $760 • Four weeks: $1,420
Daniel Lipton, Director
This performance program offers young entertainers a chance to explore the world of theater. We’ll participate in engaging acting, music, dance, and art classes. Additionally, we’ll collaborate with professional artists to create a new and original show. Students will learn dialogue and choreography and help create scripts, sets, and musical numbers based on stories by Roald Dahl. Each session will culminate with a final performance. Outdoor games and water play will be part of our program.

Theater Arts Junior
8:30 am-4:00 pm • Ages 5-7 • Lincoln School
Two-Week Sessions: July 6-17, July 20 -31, August 3-14
Two weeks: $760 • Four weeks: $1,420
Just like our Theater Arts for older children, this performance program offers young entertainers a chance to explore the world of theater, but at a level that suits their age and interests.

Brookline Basketball, Future Warriors
8:30 am-12:30 pm • Ages 8-13
Lincoln School
One-Week Sessions: July 6-10, July 13-17, July 20-24, July 27-31, August 3-7, August 10-14
One week: $180 • Two weeks: $330
Scott Newman, Head Coach
Boys and girls of all levels can improve their individual skills and learn the game of basketball through instruction and competition. Engaging games and drills will help to create a love of basketball in an atmosphere that emphasizes hard work and sportsmanship. Game scenarios, offensive/defensive strategies, skill progressions, and group scrimmaging will let students take their game to the next level.

Outdoor Afternoon Adventures
12:30-4:00 pm • Ages 8-13 • Lincoln School
$175 per week
One-Week Sessions: July 6-10, July 13-17, July 20-24, July 27-31, August 3-7, August 10-14, August 17-21
Mark Beshansky, Director
Spend your afternoons hard at play. For students who like teamwork and creativity, our days will include active field games, thinking games, and local excursions. Afternoons will include soccer and field games like Capture the Flag, Four Square, Freeze Tag, and Frisbee. We’ll also take trips to area attractions like the Cleveland Circle swimming pool. Arts and crafts projects and trivia games will round out our days of adventures.

Archery
4:00-6:00 pm • Ages 7 & up • Lincoln School
$130*
One-Week Session: August 17-21
On the Mark Archery
Learn the art of archery while experiencing healthy competition and camaraderie. We’ll introduce the fundamentals of archery, including safety, skill, technique, range procedures, and scoring. Parents, feel free to register too!

*Discounts or waivers do not apply
