[Winter Wonderland: Morning Wonder Four Days \(Ages 5-12\)](#)

Daniel Lipton & Georgia Lagadinos

12/27/2021 - 12/30/2021

9:00AM - 1:30PM

We'll break into age-appropriate groups with teachers and counselors to have a blast, or a ball, or maybe even a dance party. Activities will vary each day but we'll be sure to include all of our favorites: Bringing Books to Life, Theater Arts, Gym Games, Kitchen Experiments, and free play. As weather allows, we'll enjoy the outdoors. Our morning will include time for a snack and then we'll join together for a low-key supervised lunch. Please bring a nut-free snack and lunch.

Monday-Thursday, Lincoln School, 19 Kennard Road, Brookline, MA. \$240.00

[Winter Wonderland: Afternoon Adventure Four Days \(Ages 5-12\)](#)

Minecraft History Legends of Time (Ages 8-13)

Eric Hansen

10:30AM-12:30PM

Students ages 8 to 13 will travel through time following the thrilling non-fiction stories of the Cold War, Titanic, and Forbidden City watching thrilling Minecraft mini films with enhanced graphics. Students engage in hands-on activities aligning with the National Council for the Social Studies' C3 Lesson Framework and play team based custom mini-games themed around the time period, aligning with the CASEL social emotional learning framework.

Monday-Thursday, Lincoln School, 19 Kennard Road, Brookline, MA. \$160.00

Architecture in Minecraft (Ages 8-13)

Eric Hansen

1:30PM-3:30PM

Students ages 8 to 13 create massive projects as a whole class working together on different tasks. In this level of the Architecture in Minecraft class, students will focus on the intricate details of interior and exterior design. We'll learn new methods for creating detailed furniture and heavily utilize the 10,000 exclusive blocks the SGEDU has to offer. Students will keep their projects at the end.

Monday-Thursday, Lincoln School, 19 Kennard Road, Brookline, MA. \$160.00

Minecraft Zone with Lunch (Ages 8-13)

Eric Hansen

10:30AM-1:30PM

First, students ages 8 to 13 will first travel through time in the morning session of History Legends of Time, engaging in hands-on activities aligning with the National Council for the Social Studies C3 Lesson Framework, and playing team based games. Then, they'll enjoy supervised time together for lunch and play outside. For the final two hours, participants will enjoy Architecture in Minecraft, focusing on the intricate details of interior and exterior design. As a special part of this session, we'll learn new methods for creating detailed furniture and heavily utilize 10,000 exclusive blocks.

Mindful Mornings (Ages 5-9)

Jeannine Schroder

12/27/2021 - 12/30/2021

9:00AM-10:00AM

Lean into some time for yourself over the busy winter vacation week - for a quiet break, an errand, connecting with friends or family - whatever serves you best. While you enjoy this time each morning, we invite your children to join us for an hour of mindfulness. We'll practice mindful relaxation exercises, stretch through mindful movement, read some fun tales, and create crafts to take home. Mindfulness gives us all - including our children - time to relax, reboot, and tap into joy and gratitude.

Winter SAT Prep Intensive

Chris Orr

12/27/2021 - 12/30/2021

3:00PM - 5:00PM

This class is geared towards students planning to take the SAT exam. In our sessions, we will cover all aspects of this critical college entrance exam. This course focuses on teaching strategies, reviewing important content, and covering test taking techniques. Students will take practice tests sourced directly from the College Board, between class sessions to simulate the actual test. The instructor will provide feedback on the student's progress in both the math and verbal sections of the SAT. The required text: The Official SAT Study Guide is available for purchase online.

Monday-Thursday, Lincoln School, 19 Kennard Road, Brookline, MA. \$270.00

Program Policies

We are very excited to hold WinterWonderland 2021 in-person and look forward to seeing your child shine as they engage with their friends and our instructors in enriching, fun activities. We anticipate this program will be a positive experience for both you and your child. Given the fact that the world is still grappling with COVID-19 and its variants, we want to assure you that our program will follow the strict guidelines put in place by the Public Schools of Brookline to keep your children and family as safe as possible during this novel time. Masks will be required indoors and we will maintain a social distance of three feet. Breaks to wash/sanitize hands will be built into our time together and we will go outdoors as much as possible to enjoy snacks and lunch. If seated indoors for eating, children will not be across from each other, but rather facing one direction and at least three feet apart. As you know, this academic year (2020-21), PSB is following specific procedures with regards to attendance and student health. In particular:

- Mild symptoms will now prevent children from going to school. If your child displays ANY symptoms of COVID-19, please keep them home and disclose this information to the BA&CE Office as soon as possible at 617-730-2700 or bacep@psbma.org.
- Healthcare providers should be consulted even if COVID-19 symptoms are mild.
- Students can no longer “stick it out” at school programs. Parents and emergency contacts must be prepared to pick-up children from school if they receive a call from the school. Please ensure that your contact information is up-to-date so that the process can be completed quickly and safely.
- There is no nurse on site for this four day vacation program. If your child indicates he/she is not feeling well or demonstrates symptoms at any time during the length of the four day program, he/she will be separated from the other children and a parent or emergency contact will need to pick up the child immediately. When choosing an emergency contact, please keep in mind they must be available on short-notice to pick up your child if it is warranted.
- Please remember that PSB requires you to assess your child for symptoms every morning before the program (including a temperature check) and keep them home if they are sick. If you have not completed a student health attendance agreement, you may do so here: (www.brookline.k12.ma.us/attendance)
